

# Artist in Residence at your school

**Special event coming up?  
Need some emergency ART tuition?**

Art Show? School Anniversary? Religious events? Book Week? Theatrical production? Christmas play?

Do you need your staff and students to form a design team to create some art for your school? Murals, logos, installations, gifts for the year 6 graduating class or for a special teacher?

Or are you just looking for a treat for everyone to thank them for a great year of learning? Do you want to start the New Year with a fun Art day? Do you want to improve your students' creativity or get them skilled up in preparation for their big event?

How about the staff getting out of their comfort zone and having some really professional Art Instruction?

You can have Shaz, a Professional Artist and experienced teacher, at your school for an entire day to train your staff and your students in drawing skills workshops.

They can also have lots of fun with Art History and Shaz's own philosophy of Art!

Shaz can come to your school at any time. It's never too late

Who cares if you don't have an 'official' Art focus? Just give the whole school a FUN DAY! You will be surprised at how everyone's confidence soars!

All tuition and drawing equipment provided for the ridiculously low price of \$950.

**Have a look at the website to get some ideas!**

## **Creative development**

Since starting ShazArt, I have been able to inspire and lead many school, private and corporate staffs in their professional creative development. I have been involved in the creation of logos, murals, mascots, community art projects and events, team building days and commissioned artworks.

## **Workshops**

My workshops with school students have been structured in such a way as to introduce valuable drawing skills gradually in order to encourage confidence and enthusiastic engagement. Because I strongly believe in the force of CREATIVITY, I allow my students to discover their own drawing style. I just give them the tools and tricks.

## **Involvement**

When visiting schools I am there for the whole day, even staying back with the staff for up to 2 hours of free art consultancy or professional development. I have always had a passion for art and sharing this passion, in a humorous and entertaining way. I hope the experiences I create are more than memorable ... I want them to be wonderful!

**My name is Sharon Rowland. I am a trained primary school teacher with a Bachelor of Arts degree in Visual Arts.**

**I was head tutor and responsible for coordinating the inaugural art classes at Hazelhurst Regional Art Gallery at Gymea. I also managed the monthly art workshops held at the gallery. I taught cartooning at the Abozzo Art Studio at Como for many years.**
